COVID-19 VACCINE INFORMATION FOR VESSELS CALLING STOCKTON AND WEST SACRAMENTO, CA

AS OF SEPTEMBER 23, 2021

STOCKTON:

11-Aug-21

Yolo County Health withdraws from crew vaccination program due staff demands due to increased local activity in county (due to Delta Variant)

16-Aug-21

Yolo County Health advises that commercial vendor HR Support will provide vaccines, \$100/person.

25-Aug-21

HRSupport announces they are offering vaccines services to vessels at the port.

All arrangements can be made through vessel agent. HR Support will require certified TWIC escort to/from vessel alongside port of Stockton at additional charge.

WEST SACRAMENTO: Appointments can be made via vessel agent for Yolo County EMS administrator to attend vessel to vaccinate crew on board. The vaccine itself is free of charge, however TWIC escort required for nurse at cost and other coordination fees may apply.

Vaccines are also available at SF anchorage via launch before/after transit to Stockton/Sacramento.
